

# LEADERSHIP

## LISTENING TIME!

A- Watch the video **How to Improve Leadership Skills at work** by Adriana Girdler and take down notes to complete the activities.

B) Complete these tips with the appropriate words

- 1) ..... by example
- 2) ...../ ...../ connect with others
- 3) demonstrate you are a .....
- 4) ..... to lead others
- 5) know why projects .....

C- While giving tips, Adriana mentions several interesting ideas. Read them and decide whether they are TRUE or FALSE. Justify the false ones

a) Emulate and study those leaders who are doing well bringing in people and teams T / F

.....

b) Learn to motivate, support and understand people but don't connect with them from an emotional perspective; otherwise, you may feel overwhelmed. T / F

.....

c) Motivation is key since leadership is all about making people excited to work T / F

.....

d) Leaders should ensure that the vision and strategy can move forward by delegating tasks to problem solvers. T / F

.....

e) It is crucial to be systematic, logical, and take away any emotional charge. Because getting emotional and pointing the finger may be a great obstacle to solve any problems. T / F

.....

That's all 😊 - Thank you!!
