**Read the following passage and choose the best answer to each question. (5 questions)**

World War I broke out on July 28, 1914 and it did not end until November 11, 1918. To be exact, the war was 4 years 3 months and 14 days long. Most of the battles were in Europe but participating soldiers came from around the world. 135 countries were involved in World War I and nearly 10 million people were killed. Basically, the war changed the colonial empires of the European countries. At the end of the war, many different treaties were signed. Of all the treaties, the Treaty of Versailles was the most important. The end of the war also meant the creation of the League of Nations for the purpose of preventing war. The size of the war, its damage, and the death toll shocked people around the world.

31. Which of the following is NOT true about World War I?
- |                                    |                             |                           |                                 |
|------------------------------------|-----------------------------|---------------------------|---------------------------------|
| A. It was fought mainly in Europe. | B. It started in late 1914. | C. It ended in late 1918. | D. It lasted more than 4 years. |
|------------------------------------|-----------------------------|---------------------------|---------------------------------|
32. What is the main idea of the passage?
- |  |                                       |                                      |  |
|--|---------------------------------------|--------------------------------------|--|
| A. The overview of the First World War | B. The effects of the First World War | C. The causes of the First World War | D. The writer's judgement of the First World War |
|--|---------------------------------------|--------------------------------------|--|
33. How many people died during the war?
- |                      |                   |                     |                  |
|----------------------|-------------------|---------------------|------------------|
| A. 10,000,000 people | B. 100,000 people | C. 1,000,000 people | D. 10,000 people |
|----------------------|-------------------|---------------------|------------------|
34. Why was the League of Nations established?
- |                           |                          |                                      |                           |
|---------------------------|--------------------------|--------------------------------------|---------------------------|
| A. To prevent future war. | B. To change the empires | C. Because the treaties were signed. | D. Because the war ended. |
|---------------------------|--------------------------|--------------------------------------|---------------------------|
35. Which about the war is NOT mentioned as shocking to people?
- |                          |             |                   |                         |
