

1. Complete the text with the words below.

tough • achieve • support • expect • entertained • talented • variety • entertainers • in order to • entertainment

Rising Stars

When we see famous actors or singers, we don't always realise how hard these had to work to their goals. In fact, many of them had a time finding work in their profession when they were young. Instead of acting or singing, they did all kinds of jobs to (4) themselves. For example, Brad Pitt moved refrigerators to make money and X-Men star Hugh Jackman children at parties. And, believe it or not, the famous Lady Gaga used to work as a waitress in New York make money. So if you dream of a career in the business, don't to become rich and famous immediately. Remember, even some of the most actors and singers worked in a (10) of jobs before they started their career.

2. Read the text below. Use the word given in capitals at the end of some of the lines to form a word that fits the gap in the same line.

A Different Person

A few years ago, Marsha Robins from Birmingham weighed 123 kg. Her doctor had her to lose weight, but she wouldn't listen. Then one day, she had problems and felt like she was dying. Marsha finally understood that she had to make some drastic changes. She decided to go to a weight-loss camp for three months. While she was for the camp, she started a blog so that she could share her experiences with others. During her three months at weight-loss camp, she wrote about her meals and her exercise programme, and thousands of people became loyal of her blog. At times it was very , but she managed to lose 27 kg. Today Marsha is a different person. She weighs 62 kg and exercises Looking back, Marsha is happy she went to weight-loss camp. In fact, she feels it has made all the !
