

## **PACKING Activities**

### **1) Read the passage and click on the correct answer.**

Wearing clothes one of top of the other is the most practical way to be comfortable all day long. In Africa it is hot, but when you leave **EARLY / LATE** in the morning to go on safari it can be windy and **HOT / COLD**, so you should take warm clothes such as a **JACKET / T-SHIRT**, scarf, and gloves. Then as it begins to get colder toward evening, you can put them back on.

When we go to a Safari we have to wear **UNCOMFORTABLE / COMFORTABLE** and **LIGHT / HEAVY** clothes.

### **2) COLOURS TO WEAR - Join with arrows**
