→

29. do / you / like / What / doing / in / your free time / ?

→

30. That / my / not / jacket / is / .

→

V. Read the text.

Look! This is the picture of my family. This is my father. He is forty-two years old. He likes reading newspaper in the evening. And here is my mother. She is thirty-eight years old. She loves cooking and she can cook very well. This is me, Peter. I am eight years old. And this is my brother, Tom. He is four years older than me. He sometimes fights with me for toys, but he always helps me with my homework. My brother and I like going to the cinema at the weekend.

A: Answer the questions.

E.g. What is the writer's name? → His name is Peter.

31. How many people are there in his family?

→

32. How old is his father?

→

33. Does his mother like cooking?

→

34. How old is his brother?

→

35. Do Peter and his brother always get along?

→

B. Decide if each statement is True (T) or False (F)

E.g. Peter is nine years old.

F

36. His father likes reading comics in the evening.

37. Peter's mother is thirty-eight years old.

38. Peter and his brother sometimes fight for toys.

39. His brother never helps him with homework.

40. Peter and his brother like going to the cinema on Mondays.
