The White House is a world-famous house. It's in the capital city of the United States, Washington DC and it's where the President of the US lives and works. We often see pictures of the White House on the news and in films. It's even on the back of the US \$20 bill. But what's it really like to live there?

- ★ The White House is big! There are 132 rooms and 35 bathrooms, plus 412 doors and 147 windows.

There's a large kitchen in the White House. The chefs can make dinner for 140 people. 140 is the maximum number of people who can sit in the main dining room.

- ★ There are four doors in the Oval Office. One door goes to a small dining room and study. Two of the four doors take you to the West Wing of the White House. In the West Wing, there are offices for the Vice-President and other important people. The fourth door takes you to a rose garden.
- ★ In the Oval Office, there are famous paintings on the walls. The paintings come from the White House or from other museums. New presidents decide which paintings they want on the walls, and the colour of the walls!
