Urban Dreams

Read the text below, choose the correct answer (A, B, C, D)

When you are, like me, a teenager living in a small town or village, then it's common for us to dream of a life in the city. Reasons for this include limited opportunities for entertainment, education, and career growth in rural areas. Most of the time, small towns lack resources which provide young people with the experiences and connections they need to thrive. There are such problems in my town as well. I wish I (1) _____ someplace more exciting soon!

One of the biggest advantages of the city is the abundance of possibilities it offers. The city is full of the best and brightest. The competition is fierce, but so are the rewards. With (2) _____ luck and a lot of hard work, all of you could become the best version of (3) _____.

(4) _____ we might have our dreams of a bigger life, the reality of moving to the city can be daunting. Leaving behind family and friends, the comfort of the familiar, and the slower pace of life can be difficult. But remember, with determination and courage, we just find our place in the world, and create a life beyond our (5) _____ dreams.

1	A could move	B would have moved	C had moved	D moved
2	A few	B a few	C little	D a little
3	A myself	B ourselves	C yourself	D yourselves
4	A Even so	B Although	C Despite	D In spite
5	A wilder	B wildest	C the wildest	D the most wild
