

## Writing practice

Read the text and write a similar paragraph about your last vacations:

Last summer, I traveled to Brazil with my family. We traveled there by car, and it took us three days to get to Rio de Janeiro.

We stayed at a three star hotel and we visited many shopping malls and museums. We ate in different restaurants and we liked the traditional food. My wife took a lot of photos and she bought souvenirs for our friends.

I really enjoyed my trip to Brazil, and I hope to go there next year again!

Don't forget to use the simple past of regular and irregular verbs (affirmative or negative form):
