### Jealous guy by John Lennon

|                                  |                 |  |
|----------------------------------|-----------------|--|
| I                                | of the past     | I didn't mean to hurt you              |
| And my heart                     | fast            | I'm sorry that I you cry               |
| I began to lose control          |                 | Oh no, I didn't want to hurt you       |
|                                  |                 | I'm just a jealous guy                 |
| I                                | to lose control | I to catch your eyes                   |
| I                                | to hurt you     | Thought that you to hide               |
| I'm sorry that I made you cry    |                 | I was swallowing my pain               |
| Oh no, I didn't want to hurt you |                 | I my pain                              |
| I'm just a jealous guy           |                 | I didn't mean to hurt you              |
| I was feeling insecure           |                 | I'm sorry that I you cry               |
| You might not love me anymore    |                 | Oh no, I didn't want to hurt you       |
| I was shivering inside           |                 | I'm just a jealous guy, watch out      |
| I                                | inside          | I'm just a jealous guy, look out, babe |
|                                  |                 | I'm just a jealous guy                 |
| Oh, I didn't mean to hurt you    |                 |  |
| I'm sorry that I made you cry    |                 |  |
| Oh no, I                         | to hurt you     |  |
| I'm just a jealous guy           |                 |  |
