

"The Eremites," a loosely-organized mercenary _____, is Sumeru's most _____ armed force. They consist of many mercenaries and bands of warriors-for-hire who carry out assignments independently.

organize
power

One such brigade is the "Blazing Beasts," whose most renowned member is Dehya, also known as the "Flame-Mane."

A highly regarded warrior among the mercenary circles, Dehya is brave without being _____, and strong without being arrogant. Life in the harsh desert environment has allowed Dehya to accumulate much combat _____ through various battles, and she is by no means your _____ insolent and ignorant martial artist.

impulse
wise
type

As long as the pay is good and the commission reasonable, Dehya is more than willing to take up her sword to defend those who hire her.

However, there is one thing these _____ should be aware of. That is, the _____ they establish with Dehya is only temporary and purely transactional. The reins to tame this lioness is never, and will never be in their hands.

employ
agree

Although mercenaries sell their strength to make a living, their dignity and lives belong only to _____.

they

The desert lioness is no one's slave, and her sword only follows her heart.
