

SUDUKO

Rules - Only using the numbers 1, 2, 3, 4

Each number can only appear once in each row and column

Each number can only appear once in each block of 4 squares

You can not put a 3 here

2		3	
	3		1

Therefore, it must go here

A 4x4 grid is shown with various cells colored yellow, green, blue, or orange. The grid contains the numbers 2, 3, and 1. A red box with the text "You can not put a 3 here" has three arrows pointing to the top-right, middle-right, and bottom-right cells of the grid. A yellow box with the text "Therefore, it must go here" has an arrow pointing to the bottom-middle cell of the grid.

Finish this one
