DIRECTIONS: Here you find a monster and a short description of it. Complete the description with the best word according to the monster appearance.

This is Zet. He comes from Plath, a planet that is seventeen million light years from Earth. He has only one _____ and four _____. He has only one _____ because in that planet they only drink liquids, they don't _____ anything. Most people in his planet have four yellow _____ in their face. He has _____ fingers in each hand because he is a child. When they are older they have _____.

Look, this is a picture of Xian. He is a character from a movie. Xian is Zet's brother. The thing is that in their planet, everybody is different.

For example, Xian has no _____ and no _____. He has two _____ and two big _____. He is different to most aliens because he has two _____ and all the other creatures in Plath have only one _____.

My favorite monster in the movie was Shalk. She is Zet's cousin and they are also best friends. She has three _____ and the four _____ that all the other people have in that planet. Like almost everybody else in the planet, she has one _____ but we can't see it. In this planet, aliens can't _____ very fast because their legs are _____.

Arltr comes from Arlane, a planet that is seven million light years from _____. Most creatures in his planet _____ five to ten hairs in their _____, but he has only two hairs. His _____ are not the same size and they are green. Arler has three _____ and no _____. He is not very strong because his _____ are very thin. He has twenty eight _____ but we can only see too. The others are, of course, inside his _____.

This is a picture of an alien _____ a planet called Rentsus-10, in this planet people live from five to six _____ years and they become adults exactly when they are fifty years old. Yellyt, that is his name, is eighteen years old. In this planet people have one two or three eyes; he has only _____. Yellyt has only two _____ but in the future he will have more than fifty _____. They need a lot of teeth because they are predators. People in this planet have no _____ and no _____.

This is a drawing of all the characters from the movie but my favorite character is Chzeck. He is from Fretzm. Look, Chzeck in in the back. He has a very long neck and only one eye. He has one nose and big lips. His legs are very short. We can't see because he is wearing soccer shoes but he has six toes. It is also difficult to see but he has four fingers at the end of each hand.
