Read the following text to answer questions number 29 to 31.

Charles Robert Darwin Was Born In Shrewsbury, England, on 12th February 1809. He came from a wealthy family and never had to work. He studied medicine and theology. In 1831 he graduated from Cambridge University with a degree in theology.

He began a career as a scientist quite by chance. On 27th December 1831, 22 year-old Charles Darwin joined the crew of HMS Beagle as a naturalist. The five-year expedition collected hydrographic, geologic, and meteorologic data from South America and many other regions around the world. Darwin's own observation on this voyage led to his theory of natural selection.

Charles Darwin was greatly influenced by the geologist Adam Sedgwick and naturalist John Henslow in his development of the theory of natural selection, in which was to become the foundation concept supporting the theory of evolution. Darwin's theory holds that the environmental effects lead to varying degrees of reproductive success in individuals and groups of organism. Natural selection tends to promote adaptation in organism when necessary for survival. This revolutionary theory was published in 1859 in Darwin's now famous On the Origin of Species by Means of Natural Selection.

The Soccer Star David Beckham And His Wife, Former Spice Girl Victoria, Are Going To Court To Defend Their Image And Marriage. The Beckham Are Angry That A British Tabloid Newspaper Printed A Story That Their "Happy Marriage" Was A Lie. The News of the World wrote a article saying the Beckhams are just pretending to be happily married to make more money from their "Beckham brand". The newspaper said the marriage was really "on the rocks" because of a relationship David had with another woman. He strongly denies this.

The newspaper article suggested that the Beckham's huge income depended on their public image. It said the couple tried to convince the public that their marriage was happy to get more advertising contracts. The article also said David almost had a nervous breakdown because of arguments with his wife. A lawyer for the newspaper commented on the high profile marriage, asking: "Is it unhappy, full of rows and tensions because of David Beckham's infidelity, or is it happy? We say unhappy." The Beckhams, meanwhile, insist they are happily married couple.
