Text 1 -

Going on an _____ can be an _____ adventure. It's an opportunity to explore new places, push your limits and experience a range of _____. However, it can also come at a high _____. Traveling to remote locations often requires a lot of planning and preparation, not to mention the cost of equipment and supplies.

One _____ to this is to participate in a cultural _____. This is where you live with a local family and learn about their customs and traditions. It's a great way to _____ your understanding of different cultures and make new friends. It's also usually more affordable than a traditional expedition.

When you're traveling, it's important to be aware of cultural _____. Different cultures have different ways of showing _____. In some countries, it's customary to hug and kiss when greeting someone, while in others, a handshake is more appropriate. It's important to be respectful and mindful of these customs.

Another thing to keep in mind is the _____ of goods and services. If you're traveling to a foreign country, you may be able to find goods that are not available in your home country. You can also take advantage of _____ opportunities, such as buying local products to bring back home. However, it's important to be aware of any restrictions or tariffs that may apply.

Traveling can be an _____ experience, but it's important to plan and prepare accordingly. By being aware of the _____ involved and respecting local customs, you can have a safe and enjoyable journey.

Text 2

Samantha had been feeling a bit under the weather for a while now. Her symptoms seemed to be _____, and she knew it was time to see a doctor. She didn't want to ____ something _____, so she made sure to do her research and find a reputable physician.

After a few tests, the doctor confirmed her suspicions: Samantha had a rare illness that would require a lot of treatment. She was told that if she didn't take care of herself, her condition could _____.

Samantha knew she had to make some changes to her lifestyle to get _____ and healthy again. She started by _____ of all the junk food in her pantry and stocking up on fresh fruits and vegetables. She also made a commitment to exercise regularly and push herself a little _____ every day.

As she began to feel better, Samantha realized how grateful she was to be part of a _____ with access to such incredible medical care. She knew that many people before her had suffered from the same illness and didn't have the same opportunities for treatment.

It was a _____ wake-up call for Samantha. She had taken her health for granted for too long, and now she was determined to make every day count. She knew that this was her final chance to turn her life around and she was willing to do whatever it took.

As she left the doctor's office, she made a mental note to _____ her prescription from the pharmacy on her way home. She was a little _____ with feeling sick all the time, but she was also optimistic about the future. She knew that with a little hard work and dedication, she could overcome any obstacle.
