Now in the morning I sleep alone
Sweep the streets I used to _____

I used to roll the dice
Feel the fear in my _____ eyes
Listened as the crowd would sing
Now the old _____ is dead!
Long live the _____!

One minute I held the _____
Next the walls were closed on me
And I discovered that my

Upon pillars of salt and pillars of sand

Chorus

I hear Jerusalem bells are ringing
_____ Cavalry choirs are singing
Be my mirror, my _____ and

My _____ in a foreign field

For some reason I can't explain
Once you'd gone, there was never
Never an honest word
That was when I _____ the world

It was the _____ and wild wind
Blew down the doors to let me in
Shattered windows and the sound of

People couldn't believe what I'd become

For my _____ on a silver plate
Just a puppet on a lonely string
Oh, who would ever want to be
_____?
