

A Story

Hi, John,

I remember the time when I was out of school for a month. One Thursday I fell off my bike and broke it into pieces. And I broke my leg, too. I stayed at the hospital for three days. Then ambulance brought me home. But I couldn't play football or go out with my friends. I was really bored at that time. I didn't see my schoolmates till holidays. Mum bought me some comics, but I read them quickly. I had done 150 word puzzles and had seen 35 films on video before I recovered and came back to normal life.

So, my advice to everybody: be careful when you ride your bike or do any other things.

It's not so good to be out of school for weeks!

Michael
