

- 2**  **IDENTIFY** Listen to the discussion. What is it about? How many students are taking part? Which kinds of memorization techniques do they mention?

- 3**  **IDENTIFY** Listen again and take brief notes to answer the questions.

- 1 Why does the group want to be able to better memorize information?
- 2 Which technique is recommended while on the bus or train?
- 3 What are some of the “tricks” that are mentioned for this technique?
- 4 What time of day do two students say is a good time to study?
- 5 Why does one speaker record information?
