

# ICE CREAM MAN by Raye

So, this \_\_\_\_\_ hit me up on the DM  
He told me, "Hey, I really like what you are doing"  
He told me, "Come round to the \_\_\_\_\_, let's cook it"  
He told me, "Come to catch a vibe and make some \_\_\_\_\_"  
But when I got there, should've heard what he was saying  
Tryna \_\_\_\_\_ me, tryna fuck me, I'm not playing  
I should've left that \_\_\_\_\_ as soon as I walked in it  
How God damn dare you do that to me, really?

## [CHORUS]

Coming like the ice cream man  
'Til I felt his ice-cold \_\_\_\_\_  
And how I pay the \_\_\_\_\_ now, damn  
God damn, no what the, God damn  
Everything you did, it left me in a \_\_\_\_\_  
And no, I didn't say a \_\_\_\_\_, I guess that proves it  
I'm a woman, oh, yes  
'Cause I'm a woman  
I'm a very fucking brave \_\_\_\_\_ woman  
And I'll be damned if I let a \_\_\_\_\_ ruin  
How I walk, how I talk, how I do it  
Man, I've been broken for a \_\_\_\_\_, I've been through it no  
It's even harder to be \_\_\_\_\_ alone  
Was a \_\_\_\_\_, now I'm grown, I'm a woman  
A very fucking \_\_\_\_\_ woman

And I was seven  
Was 21, was 17, and was 11  
It took a while to \_\_\_\_\_ what my consent means  
If I was ruthless, they'd be in the penitentiary  
But all the stress of being \_\_\_\_\_ wouldn't help me  
I pushed it down, but it was living in me rent free  
And then I fell into some things that were \_\_\_\_\_  
A place where no one heard me asking them to \_\_\_\_\_ me

## [CHORUS]

I wish I could say how I \_\_\_\_\_, how I felt  
And explain why I'm silently blaming myself  
'Cause I put on these \_\_\_\_\_ pretending I'm fine  
Then I go to the \_\_\_\_\_ and I press rewind  
In my head, always going round and round in my \_\_\_\_\_  
Your fingerprints stuck a stain on my \_\_\_\_\_  
You made me frame myself for your sins  
You pathetic, dead \_\_\_\_\_ of a man  
Ooh-ooh  
Yeah, a brave \_\_\_\_\_ woman  
Oh-oh, yeah  
Eh-eh, ay, oh, oh, oh

And I'll be damned if I let a man \_\_\_\_\_, oh  
I'm a very fucking brave strong \_\_\_\_\_, yeah
