

ECOLOGICAL TOUR

It may be true that travel can ¹_____ (BROAD) the mind, but going on an ecological tour can ²_____ (DEEP) your knowledge in ways that simple tourism can't do. For example, I went on a tour of the Amazon River which taught me a lot about the damage we are doing to the planet. I also realised why some people have such ³_____ (STRENGTH) arguments for environmental protection. It was an amazing holiday and although we didn't travel the entire ⁴_____ (LONG) of the Amazon, we saw trees of an amazing ⁵_____ (HIGH) that may one day disappear from our planet. Because of the ⁶_____ (WIDE) of the river it is sometimes called a sea and it is home to hundreds of plants, animals and fish. I can't imagine one day waking up and finding that all of this life is gone.
