The worksheet features a central image of a girl named Emma, a young girl with brown hair, wearing a blue school uniform. She is holding a red backpack with a white floral pattern in her right hand and a green pencil case in her left hand. On the desk in front of her are a red pencil, a blue marker, a pink marker, and a blue eraser. To the right of the main image is a circular inset showing two girls in school uniforms looking at a purple jacket. The entire worksheet is framed by a green border.

 Listen and number.
