- A. Where would you like to go for lunch?
- B. Let's go to Carla's Cafe. Their spaghetti is <sup>1</sup> out of this world and isn't <sup>2</sup> expensive. I had an order <sup>3</sup> of <sup>4</sup> spaghetti there last week for a dollar ninety-five.
- A. I don't really want to go to Carla's Cafe. Their spaghetti isn't <sup>5</sup> very good, but you can't get any chocolate milk. I like to have a cup <sup>6</sup> of chocolate milk with my lunch.
- B. How about The Pancake Place? Their pancakes are <sup>7</sup> fantastic, and aren't <sup>8</sup> expensive. An order <sup>9</sup> of <sup>10</sup> pancakes costs two sixty-nine.
- A. I really don't like The Pancake Place. The pancakes are <sup>11</sup> tasty, but their salad is <sup>12</sup> terrible! It has too much <sup>13</sup> lettuce and too many <sup>14</sup> onions.
- B. Well, how about Rita's Restaurant? Their desserts are wonderful. You can get a delicious piece <sup>15</sup> of <sup>16</sup> pie, a cup <sup>17</sup> of <sup>18</sup> strawberries, or a dish <sup>19</sup> of <sup>20</sup> ice cream.
- A. I know. But their hot chocolate isn't <sup>21</sup> very bad. I like to have a cup <sup>22</sup> of <sup>23</sup> hot chocolate with my dessert.
- B. Wait a minute! I know where we can go for lunch. Let's go to YOUR house!
