BAGNO

SALA

CAMERA

CUCINA

The diagram shows a house with an orange roof and a green gable containing a window. The house is divided into four rooms, each with a label in a box above it: BAGNO (Bathroom), SALA (Living Room), CAMERA (Bedroom), and CUCINA (Kitchen). The rooms are illustrated with various items: the bathroom has a bathtub, sink, toilet, and washing machine; the living room has a sofa, armchair, and bookshelf; the bedroom has a bed, nightstands, and a wardrobe; the kitchen has a stove, sink, and refrigerator. There are four empty rectangular boxes for labeling: two on the left and two on the right of the house.
