Read the text and choose the best word for each space.

Today 5 per cent of the (1) \_\_\_\_\_ population of Spain works in the primary sector. This is 55 per cent less than at the beginning of the 20th century.

Olives and (2) \_\_\_\_\_ are the main crops in Spain, although potatoes, cereals, and vegetables are also grown. In the field of livestock farming, pig farming is an important activity, mainly in (3) \_\_\_\_\_.

Since Spain has many kilometres of coast, (4) \_\_\_\_\_ is an important activity, too. Mining is not as important as it was in the past, but there is still some notable mining activity in Asturias.

Spain's secondary sector is (5) \_\_\_\_\_ in size. About 30 per cent of the active population works in this sector. There are important (6) \_\_\_\_\_ in Bilbao, Barcelona and Madrid.
