Video Lesson #1:

What is an Inference:

An \_\_\_\_\_ is a \_\_\_\_\_ reached on the \_\_\_\_\_ of  
\_\_\_\_\_ and \_\_\_\_\_.

Good readers infer by what they \_\_\_\_\_ from prior  
\_\_\_\_\_ along with \_\_\_\_\_ in the text, text \_\_\_\_\_ to form an  
idea.

What inference can you make if you walked into this café: pause video and provide your clues  
in the following box.

When you read:

1<sup>st</sup> you must look for \_\_\_\_\_ but now the clues are found in the text as text  
evidence. Then you add what you \_\_\_\_\_ (your  
\_\_\_\_\_ to the situation at hand. Finally you put everything  
together to \_\_\_\_\_ an \_\_\_\_\_ or \_\_\_\_\_ an  
\_\_\_\_\_.
