MY FAMILY

My name is Ann, and this is my family. I have one sister and two brothers. My sister Lily turned 20 last week, so she is older and taller than me. However, she is not the tallest person in my family because Daniel, one of my brothers is the tallest person at home. My sister is also heavier than me. I have got the most beautiful hair in my family. My mother's name is Alicia, and her hair is also awesome but mine is wavier than hers. Her mother's name is Angie. My grandfather, Tom is the oldest person in my family. He's 80 and grandma is only 74. David, my other brother is younger and slimmer than Daniel. My dad's name is Michael. He is a bit chubby but he says my uncle Luis is chubbier than him. I also have two dogs. Tobi is smaller, smarter –it understands everything, and faster than Rufus but I love Rufus so much. It is older and more charming than Tobi. I don't mind how tall, fat, short or beautiful they are, I love my family.
