Below The Surface

Listen to the song and choose the correct answer.

[Verse 1]
Listen close, follow my instructions
There is no time for introductions
He was the one that made us
You'll be the one to save us
Underground, welcome to the circus
Power down, are you feeling nervous?

[Pre-Chorus]
His voice means to deceive you
My voice just wants to lead you
[Chorus]
Below the surface
Built without purpose
Did we deserve this?
You're here to serve

[Verse 2]
"Daddy, please!" We all scream for ice cream
This machine will help with the brain freeze
(The stage lights up with controlled shocks)
(So tighten up all your spring locks)
Through the vent, keeping your composure
Hold your breath, something's creeping closer

[Pre-Chorus]
There's no one left to find you
I'll take your place inside you

[Chorus]
Below the surface
Built without purpose
Did we deserve this?
You're here to serve (Us)

[Outro]
I'll take your place behind the mask
And I'll be first, and you'll be last
Yeah, you'll be last
