#### The Singing Competition

Megan and her older brother Jake are in a singing competition. Each singer sings a song to three music teachers. The best singer wins the competition. Jake sings his song to the teachers first.

“That was great!” says Megan. “How did you feel when you sang your song?”

“I felt relaxed,” says Jake.

“I feel nervous,” says Megan.

“Don’t worry,” says Jake. “Try to relax.”

Megan walks in front of the teachers. When she sings, she feels relaxed and confident. The teachers listen to every singer.

“Megan wins the competition,” they say.

“Good job!” says Jake.
