

Name: _____

Goldie is a goldfish. A fish bowl is her home. People call her fish bowl "aquarium" sometimes. She eats fish food and worms. Goldie has fins and a tail. She loves to swim in the water. When Goldie plays, she pushes small stones at the bottom of her bowl and blows bubbles. Her master wants to buy another fish. Goldie is happy to have a friend.

1. Where is Goldie?

Circle the picture of Goldie.
