4 We improve our community

NAME ..... DATE .....

1 Label the photos: city or village.

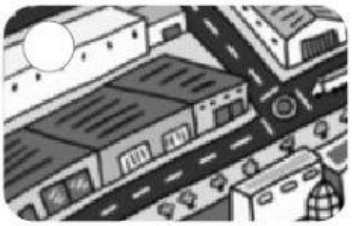

....

2 What characterises each type of village? Match.

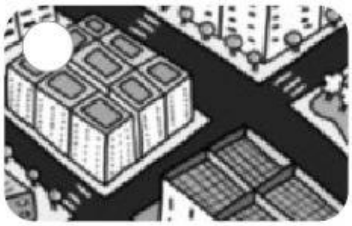

Tourist villages •	• They have factories and farms that make or process local products. They are usually bigger, with a larger population.
Industrial villages •	• Many young people go to study or work in the cities. Older people stay, but there are fewer services.
Small villages •	• They attract tourists who like mountain walks or enjoy the beaches.

3 Number the parts of a city.

1. historic centre | 2. modern district | 3. suburbs

4 Write *A* for an advantage of city life or *D* for a disadvantage.

- ☐ There are many cars, so traffic jams occur.
- ☐ There are many services: hospitals, universities, banks, etc.
- ☐ There are many jobs.

LIVEWORKSHEETS
