Fix you - Coldplay

When you try your best, but you don't succeed
When you get what you _____, but not what you need
When you feel so tired, but you can't _____
Stuck in reverse
And the tears come streaming down your _____
When you lose _____ you can't replace
When you love someone, but it goes to waste
Could it be worse?
Lights will guide you _____
And ignite your bones
And I will try to _____ you

And high up above, or down below
When you're too in love to let it go
But if you never try, you'll never _____
Just what you're worth
Lights will guide you home
And ignite your _____
And I will try to fix you

Tears stream down your face
When you lose something you cannot_____
Tears stream down your face, and I...
Tears stream down your face
I promise you I will learn from my _____
Tears stream down your face, and I
Lights will guide you home
And ignite your bones
And I will try to fix you
