Katy's homework

Katy's class was studying the oceans, and her teacher asked them each to do an art project for homework. Katy loved art and her favourite animal was the octopus, so she decided to make a model of one. She didn't know the best way to do it, so she went online and found some information about models. Soon she was ready to start her project.

First, she mixed glue and water together in a big plastic bowl. Then she found some newspaper in the living room and she put small pieces of it into the bowl. Next, she got one round balloon and eight long ones to make the body. She lifted the wet paper out of the bowl, and put each piece around the balloons. After that, she put it by a window to dry. When it was ready, she painted it.

'Your octopus is brilliant!' said Grandpa, 'but I don't think I can read my newspaper now.' He laughed.

'Oh no! I used your newspaper! I'm sorry!' Katy said. Grandpa wanted to go to the shop to get another one, but Katy had a different idea. She went upstairs and got the laptop. 'Look,' she said. 'All the news is on these websites.' 'That's wonderful!' said Grandpa.

They both learned something new today!
