Questions 1–10

Read the text below, and for each number, circle the correct word on the next page.

Exploring

The wish to explore unknown places is **...(0)...** of human beings. People have always **...(1)...** about what they might find on the other side of a mountain, river or ocean, and explorers have always enjoyed the **...(2)...** of looking for new places. However, past explorers often couldn't **...(3)...** to pay for all the equipment they needed, so most of them asked rich traders for help. Traders hoped that the explorers **...(4)...** discover new goods to buy and sell, or new partners to do business with. Another **...(5)...** reason for exploring was to reduce the cost of transporting goods, **...(6)...** the discovery of new, shorter routes. If transport was less expensive, goods could be sold at cheaper prices. In **...(7)...** way, sellers could win more customers than their **...(8)...** . Nowadays, people tend to explore in **...(9)...** to discover new plants and animals, or because they want to be the first person to **...(10)...** a particular goal.

Example:

0	typical	normal	usual	general
