

READING COMPREHENSION

I usually get up at about 6:00 or 6:30 in the morning, after my alarm clock wakes me up. First, I wash my face. Then, I get dressed and go downstairs to have breakfast with my family. I always have a toast, cereals, and lots of fruit. Then I brush my teeth and I leave home. I go to school by bike because I don't like taking the bus.

I start school at nine o'clock, my favourite subject is Math. I have Math on Monday, on Wednesday and on Friday. I have lunch at school with my friends at one o'clock. I finish school at three o'clock and I arrive home at half past three. Then, I have a sandwich and I do my homework. Later, I play with my sister or go online but, on Thursdays, I go swimming. I have dinner with my family at eight o'clock and I go to bed at nine o'clock.
