

(1) \_\_\_\_\_ is when people (2) \_\_\_\_\_ from one place to another.

It can be a (3) \_\_\_\_\_ distance, like moving from one (4) \_\_\_\_\_ to another, or it can be a (5) \_\_\_\_\_ distance, like moving from one (6) \_\_\_\_\_ to another.

Sometimes, people migrate because they want (7) \_\_\_\_\_ a better (8) \_\_\_\_\_ or a (9) \_\_\_\_\_ to live.

Other times, people migrate because they want (10) \_\_\_\_\_ with their (11) \_\_\_\_\_ or (12) \_\_\_\_\_ who have already moved to a different place.

And sometimes, people (13) \_\_\_\_\_ to migrate because of things like (14) \_\_\_\_\_, natural (15) \_\_\_\_\_, or (16) \_\_\_\_\_ problems in their home country.

When people migrate to another country, they are called (17) \_\_\_\_\_.

That's why it's important for people to be (18) \_\_\_\_\_ and understanding to (19) \_\_\_\_\_.
