

Wiz Khalifa - See You Again

It's been a long day
Without you my
And I'll tell you all about it
When I see you again
We've come a long way
From where we began
Oh I'll tell you all about it
When I see you again
When I see you again

Damn who knew
All the planes we

Good things we've been through
That I'll be standing right here talking to you
'Bout another path
I know we loved to the road and laugh
But something told me that it wouldn't last
Had to switch up
Look at things different, see the bigger
Those were the days
Hard work forever pays
Now I see you in a better place

Uh!

How could we not talk about family
When family's all that we got?
Everything I through you
Were standing there by my side
And now you go be with me
for the last ride

It's been a long day
Without you my friend
And I'll tell you all about it
When I see you again

We've come a long way
From where we
Oh I'll tell you all about it
When I see you again
When I see you again

O o o o
O o o o o o
U u u u u u u u u u u u u u u u

First you both go out your way
And the vibe is feeling
And what's small turn to a friendship
A friendship turn into a bond
And that bond will never be broken
And the love will never get lost
And when brotherhood come first
Then the line will be crossed
Established it on our own
When that line had to be drawn
And that line is what we reached
So remember me when I'm gone

How could we not talk about family
When family's all that we got?
Everything I went through you
Were standing there by my side
And now you gonna be with me
for the last ride

Let the light guide your way, yeah
Hold every memory as you go
And every road you take
Will always lead you
Ooou

It's been a long day
Without you my friend
And I'll tell you all about it
When I see you again
We've come a long way

From where we began
Oh I'll tell you all about it
When I see you again
When I see you again

Oooo
Yeah
When I see you again, see you again
Oo
When I see you again
