Hi! My name's Pavlo. I'm 8. I'm from Ukraine. My hometown is Yaremche. It's a very beautiful town near the Carpathian mountains. I love all four seasons in Yaremche.

In spring trees are green. It's warm. I love spring. My birthday is in spring!

In summer it's sunny and hot. My father and I often go fishing. We ride our bikes in the mountains.

In autumn trees are red and yellow. It's rainy and cloudy. I love autumn because there are lots of fruit and vegetables.

Winter in Yaremche is cold and snowy. We go skiing and make a snowman.
