Which of the words below are described on the table? Drag the words and drop them in the box below the sentence that you think defines the word.

The art and technique of arranging text to make written language legible, readable and appealing when displayed.	This is a poster used to promote and advertise a film primarily to persuade paying customers into a theater to see it.	Applied art whose activity consists in projecting visual communication intended to transmit specific messages to social groups, with specific objectives.	It helps an editor determine the overall color rendering of a photo, along a warm/cool axis, through adjustments to white balance settings in camera.	A series of moving images shown on a screen, usually with sound, that make up a story.
