

## Exercise 1

Look and read. Choose the correct words and write them on the lines. There is one example.

|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |       |            |

## Exercise 2

Read the text. Choose the right words and write them on the lines.

### Farms

- Example** There are farms ..... in ..... all parts of the world.  
There are small ones and big ones. Farms are very important
- 1 ..... we get a lot of our food from them.
- 2 ..... farmers grow fruit and vegetables only. In
- 3 hot countries, these farmers grow things ..... rice,
- 4 mangoes and bananas, which need a lot of sun. In colder countries,
- 5 farmers have animals. Farmers keep ..... to sell
- 6 their meat, wool and milk.
- 7 Farmers have to work very hard ..... day of the
- 8 year. They must ..... their animals and water the
- 9 things they are growing.
- Farmers need to know about the weather every day. If
- 10 ..... is too much sun, the ground gets very dry
- and things ..... grow. Too much rain is also bad
- for the fields.
- ..... farmers don't only look after animals, but
- they fix their farm machines and tractor engines as well.

| Example | on      | in        | at      |
|---------|---------|-----------|---------|
| 1       | after   | because   | so      |
| 2       | Some    | Any       | Both    |
| 3       | through | like      | than    |
| 4       | Other   | Another   | Each    |
| 5       | they    | their     | them    |
| 6       | every   | all       | many    |
| 7       | feed    | fed       | feeding |
| 8       | he      | it        | there   |
| 9       | can't   | shouldn't | mustn't |
| 10      | Most    | Few       | Any     |

Look at the three pictures. Write about this story. Write 20 or more words.
