

AT THE ZOO

There are some NOISY animals at the zoo!

Can you guess which animal is making each sound?

The image shows a zoo enclosure with a wooden fence in the foreground. Behind the fence, there are several animals: two giraffes (one adult and one young), a zebra, a sheep, and two meerkats. The background features a body of water, green hills, and trees. The entire scene is framed by a green border at the top and bottom.

Below the fence, there are four empty rectangular boxes for writing answers, arranged in two rows of two.
