Tian : Hi, guys! I think this is our first time doing a video call, right?
Bella : Yes. It's quite fun.
Lia : I beg to differ. Meet in person is more fun.
Tian : Yeah, but we can't do that since we have to stay at home. We even have to study at home.
Lia : I know. But, do you guys know about COVID-19? What is it actually? Why can't we go outside?
Bella : From what I read yesterday, it's a respiratory disease caused by a new virus.
Tian : That's right. It is also easily transmitted through droplets. That's why we need to wear a face mask if we go outside. But still, it is better to stay at home.
Lia : Okay, I see. My parents said that they lost many customers in their store because of this pandemic. I'm so sad.
Tian : This pandemic indeed affects many aspects of our lives, guys. We can only hope that there will be a solution to end this pandemic soon.
Bella : Certainly. I hope we can go to school together again.

Always be Together
By Little Mix

We are, friends for life
Hold that, deep inside
Let this, be a drive
To survive
And just stand, high and tall
Make sure you give your all
And if you ever fall
Know that I'm right here
We'll always be together, don't you worry
I'll always be by your side, don't you worry
The circle will never end, just know that we'll meet again
And we'll always be together, forever, always

9. What can we learn from the song?
- A. The spirit of friendship will always stay alive.
B. A close friend will give everything we need.
C. The circle of friendship will be renewed
D. A true friend will take you as you are.
10. "The circle will never end, just know that we'll meet again".
The quoted lyric means that
- A. they always stick to each other
B. their relationship will endlessly last
C. they will enjoy their precious moment
D. they will be ready to give a hand anytime
