

A funny day at the park

I am David, and today I am at the park with all my friends. Every Sunday my friends and I go to the park to play our favorite sports. My friend Eduardo loves soccer. He plays with his soccer ball every day. He says he wants to be a soccer player in the future. My friend Susan is jumping the rope, she is very good at that. Sally and Marcos are at the park as well. They play tennis all the time. They say tennis is the best sport ever. But I prefer basketball.

As you can see, my friends Laura and Gabriela are having fun. Laura loves skating. She practices every Sunday. On the other side, Gabriela loves to ride her new bicycle. We are all having fun at the park. My friends are super funny, and we love to spend time together.

Tonight, we are going to watch a soccer match at 5:00 p.m. My father will take us to the stadium. We will watch the match while we eat popcorn and drink soda. We are so excited about it!

Read the text again and answer the following questions:
