LIVEWORKSHEETS

Exercise 2: Read and write the missing words. Write ONE word on each line:

Animal hide and seek

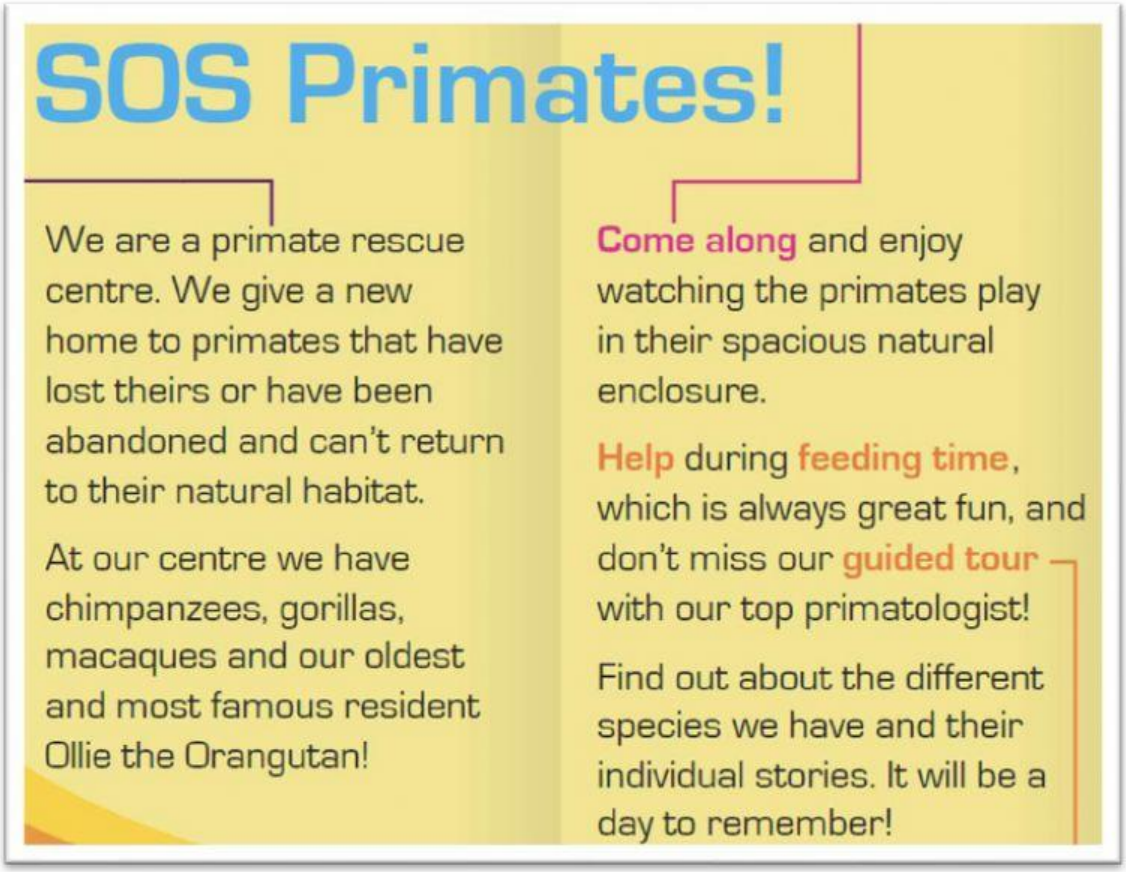

Most animals need to _____ very clever in order to survive in the animal kingdom. One of their most amazing skills is called camouflage - their bodies copy the colour of their environment to hide _____ their predator or to help them hunt for their prey. The chameleon can't move very quickly, so camouflage is important to its survival. _____ can change its colour to copy all kinds of backgrounds. This way it can protect _____ territory and itself from predators.

The pygmy seahorse is a tiny animal that is between 1.4 and 2.7 cm long. They live in coral reefs and suck their _____ through their tube-like mouth. Their camouflage is so good that it's very difficult to see them in their habitats.

The cuttlefish with its green blood and three hearts is also excellent _____ camouflage. It can change colour ___ seconds, but it can also change its body shape to look _____ something else if a hungry predator comes along! If it is chased ___ a predator, it shoots ink into the sea. This makes the water cloudy, so it can escape _____ easily.

LIVEWORKSHEETS

Exercise 3: Read and write some words to complete the sentences. You can write 1, 2, 3 or 4 words.

SOS Primates!

We are a primate rescue centre. We give a new home to primates that have lost theirs or have been abandoned and can't return to their natural habitat.

At our centre we have chimpanzees, gorillas, macaques and our oldest and most famous resident Ollie the Orangutan!

Come along and enjoy watching the primates play in their spacious natural enclosure.

Help during **feeding time**, which is always great fun, and don't miss our **guided tour** with our top primatologist!

Find out about the different species we have and their individual stories. It will be a day to remember!

1. This rescue centre is a home to many _____.
2. Some animal in the centre are _____ by their owners.
3. The oldest and most famous resident is an _____.
4. Visitor can come to watch and _____ the primates.
5. The centre provides tours guided by a _____.
