The castle

Last weekend, Richard and his parents decided to visit a famous castle. They wanted to spend the day there, so Richard's dad prepared a picnic and Richard's mum put some umbrellas, a camera and all the other things they needed in their rucksacks. Then they went to the station to catch the train.

The castle was enormous. 'I think this castle's very popular,' said Richard. 'How do you know?' asked Mum. 'Well, there are so many cars here,' answered Richard.

Dad bought three tickets. A woman was waiting at the entrance to take them on a tour of the castle. 'There has been a castle here for more than six centuries,' the woman told them. They learned about the famous people who once lived in the castle and about the secret room there. Richard was really interested in that.

'Has anyone ever found the room?' asked Richard.

'Not yet,' laughed the woman.

After that, they went outside to sit on the grass and have their picnic. But then it started to rain. 'Oh no!' said Mum.

'It's OK, Mum. We can eat later. Let's go into the castle again and find the secret room. Come on – it'll be exciting!' said Richard.

'OK,' laughed Mum. 'We can eat our picnic in the secret room!'
