7. 	8. 	9. 

B Gap Fill Exercise Fill in the missing words

This is Jake. He's 32, married, and has one child, a 6-year-old daughter named Judi. Jake's wife, Maya, is 31. She's a new doctor at the City Hospital and she works many hours. Jake (10) _____ a better schedule. Four days a week, Jake (11) _____ at 6 o'clock and runs for about 30 minutes. Maya starts work at 7 o'clock, so Jake is (12) _____ back home before 7:00. Jake and Judi eat breakfast together at 7:30. Then, Jake (13) _____ Judi's hair and they brush their teeth. They leave the house at 8 o'clock. Judi's school is in the neighborhood so Jake walks Judi to her school. After that, Jake (14) _____ to the university. He starts work at 8:30. Jake is a university librarian. Jake (15) _____ his job; he works with friendly people and he likes the students. He

(16) _____ the students find information. At about 1 o'clock Jake has lunch. He (17) _____ lunch; he brings his lunch to work. Jake finishes work at 4:30. After work, he walks to Judi's school. Judi stays in an afterschool program from 2:30 to 4:45 so Jake can pick her up after work. When the weather is nice, they go to the park. On the way, Judi tells her father about her day at school. At the park, Judi and Jake walk around and talk to friends. They get home at about 6 o'clock. Jake fixes dinner for the family. (18) _____ the family eats together, but many nights, Maya works late. After dinner, Judi takes a bath. She goes to bed at 8:00. Jake watches T.V., (19) _____ the newspaper, or works on the computer. He goes to bed at 11 o'clock.
