Hello everybody. I am Luna Lovegood. When I was at Hogwarts I really loved to discover all the hidden classrooms in the castle, I am very curious! Moreover, I always wear my blue and silver tie.

My name is Tom Marvolo Riddle, but everybody knows me as Lord Voldemort. I am the most dangerous magician. I can speak Parseltongue, which means that I can talk to snakes. My teachers used to tell me that I was very ambitious and sometimes a bit rude with my friends.

Sorry, but I am studying! Oh yes, I am Hermione Granger. One of my best friends is Harry Potter. He is one of the bravest students in our school. But, I have to remember him not to get involved in troubles all the time! I am always honest!

Good day everyone! I am Cedric Diggory one of the Quidditch players of my school house. When we play Quidditch we normally wear a yellow and black uniform, and of course, our broom. We are very hard-working players because we want to win all Quidditch matches.
