

ARRASTRA JUNTO A MI, LOS ALIMENTOS QUE ME MANTIENEN SANO Y FUERTE

ARRASTRA A MI LADO LOS ALIMENTOS QUE ME HACEN DAÑO CUANDO ABUSO DE ELLOS

This interactive diagram features two cartoon teeth characters: a smiling blue tooth on the left and a sad blue tooth on the right. Above them are two speech bubbles with instructions:

- The left bubble says: "ARRASTRA JUNTO A MI, LOS ALIMENTOS QUE ME MANTIENEN SANO Y FUERTE" (Drag next to me the foods that keep me healthy and strong).
- The right bubble says: "ARRASTRA A MI LADO LOS ALIMENTOS QUE ME HACEN DAÑO CUANDO ABUSO DE ELLOS" (Drag to my side the foods that hurt me when I abuse them).

Below the teeth are two large rectangular containers for sorting:

- A green container on the left divided into a 3x5 grid of squares, intended for healthy foods.
- A grey container on the right divided into a 3x4 grid of squares, intended for foods that cause damage when overconsumed.

Food icons from the top row are available for dragging and dropping into these containers.
