

1) Read and chose the correct word!

Frogs

Turtles

Dolphins

Eggs

Birds

Frogs

Hotels

Nests

Houses

Turtles cover the eggs with sand.

Turtles make for their eggs in sand. They make a hole, and lay eggs. The eggs will hatch in about two months.

When the turtles hatch, they run to the ocean.

All the turtles at the same time. They will soon grow to be adult turtles. They can live to be 80 years old! ❖
