Second, listen and number sentences in order. The first and second sentences have been done.

1. Hello! What would you like? This one is pistachio and chocolate. It's crunchy and not too sweet. This is Tiramisu ice cream with cream, dark chocolate and some coffee. That one is vanilla and caramel ice cream. It's quite sweet but yummy. It's strawberry and cookie dough ice cream. It's really delicious/ It has lots of strawberry pieces. It's \$6.50 please. Thank you.	2. I am not sure What's this? Yes, I'd like pistachio and chocolate please. Give me two scoops please with two spoons. How much is it? No, I don't want strawberry ice cream today. What's this one? No, it's too sweet for me. And what about that one? I don't like coffee so I don't want Tiramisu. And this one? And this?
