Tiger Street Club Report

Children do many activities at the weekend. Swimming, meeting friends and playing computer games are very popular. Some children are members of a football club. They play football and watch matches in stadiums, too. Other children are members of museums. They see exhibitions.

What I like doing at the weekend

At the weekend, I like seeing my friends and doing sports. My favourite activity is playing and watching football. My dad and I are also fans of Chelsea Football Club. We sometimes go to the stadium in London to watch our team play. My sister, Pearl, doesn't like football. When I watch football with my dad, she goes to a museum with my mum. She's a member of the Natural History Museum. She can see special exhibitions for free.
