It was a bright sunny morning. I _____ up later than usual and _____ full of beans, ready for a wonderful day. I _____ some noise behind the door. When I _____ it, I _____ my daughter with an enormous postcard in her hands. She _____ "Happy birthday, daddy!" and _____ into my arms. She _____ her favourite Rapunzel fancy-dress costume and a little crown in her hair. Then my wife _____ up to us, _____ us on the cheeks and _____ to go downstairs for breakfast. We _____ a delicious breakfast with crispy buttered toasts, some jam and coffee. Katy _____ excitedly about the postcard she _____ for me. Suddenly, she _____ at me and asked, "Where is it, by the way. Oh, no! You _____ it". My little princess was about to burst into tears and I _____ no idea where I _____ that postcard! Jenny _____ the girl and said, "You put it on your chair and you are sitting on it, honey".
